47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop letting a few large companies screw up technological progress, competition, and frankly the internet.

Support local broadband providers, and require att and Comcast to continue to give access to the wires and infrastructure that is a common good.

I am switching to sonic.net my local provider for better service and lower rates.
